## Overview

I'm focused on creating meaningful experiences through design, and helping companies build great digital products. I have a passion for working with creative thinkers, leading brainstorming sessions, vetting ideas, and seeing them come to life in a way that delights users.

## Education

-Digital Marketing Management with American corner Erbil platform in collaboration with WEDO Academy.

-Human Resource (HR) Training Course at Top International Academy TIA.

-CV Creation and Find jobs, Training Course at GMAC.

-GSM Internship at Asia Cell – Summer Program.

# Industry Knowledge

- User Interface
- User Experience
- Product Design
- Project Design (Website/Application)
- Design Research
- Interaction Design
- API's ( Get , Post )
- Hooks ,Data Fetching in React
- MUI
- Ant Design
- Bootstraps
- React, React-Dom
- Shadow/Virtual DOM
- Links (Router)
- Axious
- Boilerplate(CRA)
- JSX
- Components ,Props
- State
- Events
- Babel
